

Interactive Kiosk™ for iPad Pro 12.9-inch

Aila's Interactive Kiosk for iPad Pro 12.9-inch boasts the largest screen on the market for eye-catching displays throughout the aisles or in the fitting room. Our TrueScan™ technology delivers easy and accurate bar code scanning and integration into retail environments, so customers and associates alike get a truly superior scanning experience.

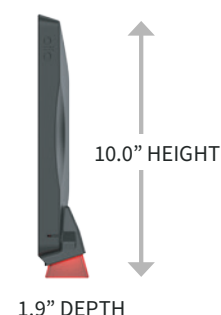

Features

- **SUPERIOR SCANNING** Omni-directional 1D/2D scanning with native image support and software configurability
- **POWER OVER ETHERNET** Optional support for PoE/PoE+
- **WI-FI TRANSPARENT** Designed to maximize signal transmission
- **SECURE** Barrel lock and steel faceplate prevent theft
- **ACCESS KEY** Manage power state and switch apps without opening the dock
- **CUSTOMIZABLE** Select colors, graphics, and mounts to fit your store
