Technical Information

Custom colors are available; 10,000 ft. minimum and an up charge may apply. Wood finishes are available and we can match most colors. Minimum quantities apply.

For live area calculator and hanging options see 3/16" AnoFrame spread.

0-5040
 Double Rail Clip
 Black or silver

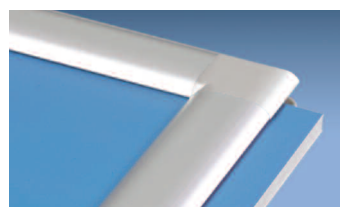

14-5000
 Split Rail Stopper

Color options

14AM200
 black anodized aluminum round profile with non-mitered corners for 3/16" substrates with black details

14AM200
 clear anodized aluminum round profile with non-mitered corners for 3/16" substrates with metalized details

Substrate Possibilities

Substrates should be rigid or semi-rigid. For thin, flexible substrates use backer boards or clear protective liners, sold separately. Please call for details.
