

# AnoGotcha™

The ultimate combination of ease-of-use and elegance.

The patented AnoGotcha combines the stability and upscale appearance of aluminum with the quick-change features of our patented Gotcha®. Assemble it once and you never have to take it apart to change graphics.

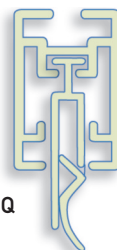

- Easy to use — just snap open and closed to change graphics.
- One time assembly — no disassembly needed.
- Sturdy and lightweight.

### Technical Information

AnoGotcha works with substrates, including finishes or protective laminates, up to 80 points thick.

**Shell:** For round and square profiles, stock finishes are black, and clear anodized aluminum. For concave profile, stock finishes are black and clear anodized aluminum.

Custom colors also available; 10,000ft. minimum and an up charge may apply. Wood finishes are available and we can match most colors. Minimum quantities apply. Call for pricing.

**Gotcha:** Stock colors are black, silver or clear. Custom colors also available; 10,000ft. minimum and an up charge may apply.

\*New concave profile is not compatible with Window Mounts, AnoConnectors, Snap-In Wall Hangers, Snap-In Off-the-Wall Hangers, Cable End Caps, or EconoStand.

Design Patent number: D617,845 Concave AnoGotcha

Quick Ship program only applies for certain products and quantities. Please ask your Account Manager for details.

**06-5565-G\***  
Cable End Caps  
Light Grey

Cable end caps must be used with a cable stop no larger than 5/8" diameter by 1/2" tall.

For proper sizing, your graphic should be 1" less than the space between your cables.

Cable end caps can only be used with the round profile.

Test prior to rollout.

Suction cups are not recommended for use with heavier AnoGotcha installations. Call for recommendations.
