

AnoPro™

High style meets intense holding power.

The AnoPro holder combines elegance and flair with incredible gripping strength. With its unique profile the AnoPro gives your graphics a bold look while providing matchless holding strength to display most any substrate.

- 1 ½" profile provides graphics with a bold, stylish look.
- Extreme gripping power holds a wide variety of substrates.
- Permanent end caps means no more lost pieces.
- Cut to any size you need.

Color Options
