

# Butterfly™ Track

## Give your hanging graphics infinite display flexibility.

The new Butterfly Track system allows for ultimate versatility in sign placement. With its easy-to-use hangers, the Butterfly Track gives you the ability to effortlessly move your graphics left-to-right or front-to-back. Best of all, installation is simple and flexible enough to accommodate unique placement.

- Moveable tracks allow for infinite sign display flexibility.
- Ideal for window boxes where altering displays keeps it fresh.
- Finished end caps provide a refined look.
- Sturdy design holds a wide range of graphics.
- Now available with Suspension Mounts to easily display graphics from hard-to-reach open ceilings.

NEW

Suspension Mounts allow for easy access to graphic displays on grid, flat, and open ceilings.
