EconoStand™

The versatility to match any environment.

Compatible with a variety of holders and frames to match your look, EconoStand holds any graphic up to 36" wide and 72" high. Best of all, no pockets, dowels or special graphic treatments are required, saving you money.

- **Assembles in minutes without any tools.**
- **Graphics displayed on both sides.**

* EconoStand shown with AnoFrame MultiSystem and AnoGotcha. Frames, and the AnoFrame MultiSystem are available at an additional cost.

New clamp keeps your graphic centered and sturdy on the EconoStand.

Free with every EconoStand.

Always cut to your exact specifications.

Works with a number of our holders and frames to match any look.

Sturdy design provides utmost stability for even high traffic areas.

Fully adjustable to display a variety of graphic heights.
