

InfoHolder™ System

Advertising displays made easy.

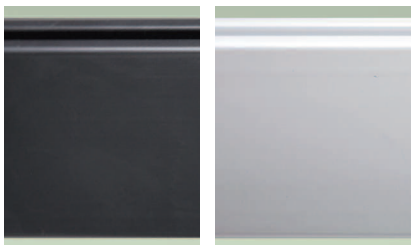

- Available as a free standing or wall display.
- Simple to assemble and disassemble without any tools.
- Use as many or as few clear panels as you need.
- Acrylic panels make it easy to change graphics.
- Ideal for displaying weekly circulars and flyers.

Whatever you need to display, it's easy. You choose the number of rails you need and the width of the system. Clear panels are easily added or removed.

Always cut to your exact specifications.
