

# Systems

## A Myriad of Possibilities

# Myriad

Our new Myriad System is the perfect solution for highlighting product brands and new merchandise. This sleek, versatile, ready to ship solution is easily customizable, allowing you to change the display in minutes depending on the location within the store and your merchandise assortment. With its compact foot print, the Myriad System fits seamlessly into any retail environment.

- Designed with flexibility and customization in mind, you have the option to choose the system based on your design vision and display goals.
- Add-on kits give you complete visual merchandising options in order to highlight featured brands, curate product assortments or announce sales.
- Save time, our flexible display stand can be assembled and remerchandised in minutes. No hardware, tools, or special training required.

Engineered  
for infinite display  
possibilities

Sleek, stylish design

Easy installation for store  
personnel

Various height  
options
