

Showcase your products with durable, easy-to-assemble merchandising solutions.

Three Tier Wire Bin Merchandisers

Our in-stock Three Tier Wire Bin Merchandisers are ideal solutions for all types of products and spaces. Showcase a variety of loose products, cross-merchandise, promote product specials, highlight featured brands, display new goods, easily moveable to the front of store, in-aisle or near service counters.

- Durable, freestanding stackable fixtures are available in large and small diameter bin options.
- Made from sturdy industrial steel with an attractive black powder coat finish; fits seamlessly into any retail environment.
- Exclusive no tool assembly allows for quick and easy installation at store level.
- Lightweight knock-down (KD) design disassembles quickly, requires little storage space when not in use and reassembles in minutes.
- Developed for an extended lifecycle, our fixtures are designed to out-perform similar sized corrugated bins; products are shipped using all recyclable packaging.
- Compact packaging reduces on material waste, weight, and shipping costs.
- In-stock/compact packaged display assures fast, on-schedule shipping.
- Backed by Visual Creations superior craftsmanship in custom fixtures and displays, coupled with the quality and ease-of-use expectations of Rose Displays – we make retail work!

**Precision-engineered,
complete KD system**

**Sleek design for
